## WHO IS HEALTH PROMOTION ATLANTIC?

### A Regional Leader

We are a network under Health Promotion Canada. We adopt and embody their mission: *“To support the advancement of health promotion practice in Canada.”*

### Learning and Growth

Our approach to professional development includes online resources, virtual sessions and in-person events.

### Networking Opportunities and More

Our membership is diverse and representative of Atlantic Canada – Join us and get connected, share resources, find a mentor!

### A Health Promoter

*applies the Ottawa Charter strategies to:*

Create supportive environments; Build healthy public policy;  
Develop personal skills; Strengthen community action and  
Re-orient health services.

**You can find us:** working, volunteering, researching  
and studying in:

*Non-Government organizations; Government; Public  
Service; Academia; Health Services; Private sector.*

### Many opportunities

With project specific and longer-term opportunities across the Atlantic region. Become involved in Health Promotion Atlantic, we have room for you to contribute to advancing health promotion.
